13<sup>th</sup> September 2019

Dear Parents and Carers,

We were pleased to see many people attend the Parents' Information Evening on Wednesday. Thank you for taking the time to come and hear what we had to say.

As promised we are sending out all the resources used on the evening so that those people unable to attend are able to access this information as well. Also included with this email is our Parents' Handbook for this year. It contains the main information we feel that families need to know to allow them to support students during the forthcoming year.

We are hoping to run a second Parents' Information Evening sometime in March which will cover areas including revision strategies for success in A level exams, university Open Days and UCAS applications, and how to prepare to be successful in Year 13. A date will be sent out after Christmas.

As ever, if you have any questions about the information attached to the email, or have anything else to share with us that you feel is important, please contact us via the details at the top of this letter.

We look forward to seeing you next on the evening of Thursday 14th November for Year 12 Parent/Tutor Meetings.

Yours sincerely

A handwritten signature in blue ink that reads 'Dave Brook'.

Dave Brook  
Co-Director
