

Physical Education Bridging Work Year 12 into Year 13

Below are the tasks you need to complete over the summer in order to return to study A-Level Physical Education in September. It is essential that you bring the completed work to your first PE lesson in September.

WORK TO BE COMPLETED

1. Ensure notes from year 1 (Book 2) have been consolidated, and topic areas have been condensed to a topic per page for revision purposes.
2. Complete the second draft of the AA2 'Analysis and Evaluation' aspect of the course as explained to you before the end of term. It is essential that these are handed in during the first lesson in September.
3. Buy the year 1 textbook as detailed below
4. Read the handbook, course overview/SOW and specification, along with the textbook, to begin to familiarise yourself with the topic areas being covered during year 13
5. Download, save and print all required college material for the 'year 1 PE course'
6. Consider re-recording elements of the practical performance
7. Be aware of any potential issues that may surround the summer's sporting programme, with particular interest to the topics covered within the specification. Read any newspaper articles saved in the PE section of the college website.
8. Background Reading
